Cinema Partners Holdings LLC - Company Resume

Company Overview

Cinema Partners Holdings LLC is the parent company of two leading Emmy® Award winning aerial drone cinematography companies, Aerial MOB and Vortex Aerial. With over 25 combined years of experience in the film production industry, both companies have attained a long list of top-notch industry credits and references on feature films, television, and commercial projects. Based in Los Angeles with a satellite office in Atlanta, Cinema Partners serves all US film markets and also has considerable experience working abroad.

- In 2013, we worked with the Motion Picture Association of America and the 6 major studios on establishing the initial FAA regulations for using drone technology on closed film sets - [LINK](#)
- Maintains a perfect safety record for use of drones in film production
- Awarded first ever Emmy® Award for technical achievements with drone technology in the television industry - [LINK](#)
- An unmatched list of credits for drone cinematography in film and television - [LINK](#)

Client Testimonials

Some of our clients' perspective working with our company...in their own words...

"In 2019, I worked with the team at Aerial MOB on a documentary titled "Rebuilding Paradise" and a feature film titled "Hillbilly Elegy", and I really enjoyed working with them on both projects! They are total professionals and they made it look pretty easy in terms of making my vision for the aerial shots a reality."

-Ron Howard, Director

"Aerial MOB has worked on a couple major projects of mine over the last couple years. They always deliver outstanding aerial drone cinematography!"

-Igor Meglic - Feature Film 2nd Unit Director/DP

"I have worked with Aerial Mob in the past few years on major feature films, including Venom and most recently Hillbilly Elegy this past summer. They are professional, do their homework and always get the job done, even in the most challenging situations. They truly understand the aerial cinematography craft and their work looks amazing. A pleasure to work with."

-Kristen Ploucha - UPM/1st AD

"As a Bidding Producer at SMUGGLER, (a leading global production company), my job is to make sure our bids are accurate, represent value, and are produceable. I bid with Vortex Aerial because they are professional, responsive to their client's needs, and they deliver top notch service and execution."

-Dan Kelley - Bidding Producer

"I have worked with Aerial MOB on a few feature films over the last few years, most notably on *Baby Driver* in 2016 and currently on *Sweet Girl*, and they always deliver! I highly recommend them for any film production that needs top notch, professional drone cinematography

-Jeff Valeri, UPM/Co-Producer
